Forsyth

FORSYTH, the county seat of Taney county, is a beautiful and centrally located town at the junction of the sparkling waters of the Swan with the swift and crystal current of beautiful White river. The site is ideal, and the little, well built and well planned city, favored at the meeting of the waters, like a gem at the throat of beauty, while the wooded ridges flank in every direction the central figure, all form a picture which lingers long in the memory of the visitor—and he usually comes back to refresh the picture.

The great Presbyterian church is now building here its college for southwestern Missouri and northwestern Arkansas, near the Forsyth prominent college town. The fact that Forsyth donated a forty-acre site and over five thousand dollars toward the establishment of this college sufficiently indicates the attitude of our people toward the higher education. The fact that the committee representing the church has acquired an additional 120 acres of and affords some clue to the magnitude of the plan of the church. It is proposed to spend \$50,000 on this school plant. School will open January 1, 1907.

We have a good graded school, a neat stone chapel open to all churches, a well equipped and long Sunday school, daily mails from all directions—in short, more advantages than many a more populous and wealthy community.

Well equipped mail and express lines, with headquarters here, give daily connection with the Frisco, at Chadwick, and the White River line of the Missouri Pacific, at Branson.

Most lines of business are represented, including general merchandise, drugs, millinery, hotels, livery, lumber, meat market, undertaking, printing, painting, milling, blacksmithing, carpentry, electricians. We have an able and sufficiently numerous corps of lawyers, a good physician, and real estate men enough.

We need a resident dentist, a furniture store, a hardware store, a wood-working factory to utilize our native woods, and various other enterprises can find or make good openings.

J. S. McKnight accompanied the Branson bunch to Forsyth Saturday.

Dr. Green, the Springfield dentist, will be at the Hilsbeck hotel October 26 to 31.

J. W. Estep was in from the Shade Tuesday, and gave the printer the grip and password.

It is talked that night passenger trains each way will soon be put on the White River railroad.

Mr. and Mrs. Noel Sperry, of Springfield, arrived Friday for a visit in the parental McManus home.

Campaign bets range four to one on Vanzandt's keen-edged tools against all the hair and whiskers in the county.

Dr. Green makes regular visits to Forsyth. Ask your neighbor about his work. Will be at Forsyth Oct. 26 to 31.

Those J. C. Inman lots adjoining the college grounds are delightfully located. Better select one at once, if.

The man with the load of wood has had no trouble to exchange it for coin of the realm within the past few days.

F. H. Tinker, of Branson, and his son, R. P. Tinker, who lives near Walnut Shade, were in town Friday morning.

Mr. and Mrs. W. A. Belt, of Cedar Valley, whose daughter Lee is a student in The School of the Ozarks, were in town Tuesday.

Mrs. J. W. Foster, of Bluff, made final proof on her homestead Tuesday, and made the Republican an appreciated visit before leaving town.

Friday and Saturday mornings of last week furnished frost in this locality, that of Saturday morning getting most of the tender vegetation.

Poley's Honey and Tar cures coughs quickly, strengthens the lungs and expels colds. Get the genuine in a yellow package. Sold by all Druggists.

Joe Koenig came down from Ozark the middle of last week, with a young friend from Springfield, to take an outing on the river in his gasoline launch.

Mrs. Grant Boswell was threatened with serious heart trouble, due to physical weakness, the first of the week, but she is much improved at last report.

Messrs. A. J. Hicks, H. R. Meiton, S. D. Wheeler and Wm. Maddux, of Branson, made a Saturday visit to the county capital. No, they were not all rooting for Cowherd.

Dr. Mitchell reports that Judge Craig, of Walnut Shade, has an attack of pneumonia, complicated with pleurisy, but that he did not consider his condition serious.

Do you want to locate near The School of the Ozarks, to send your children to school? If so, buy some of those choice residence lots of J. C. Inman. Prices are reasonable.

The long delayed Anderson & Larkin threshing outfit reached this neighborhood last week and threshed out the wheat crop, usually with disappointing results in the matter of yield.

A. G. Perry, of Hilda, has purchased the old Merritt farm of 204 acres, through the agency of A. L. G. Randolph. Glad to see Mr. Perry get such an interest in the soil as will keep here.

Have you not a friend for whom you wish a better acquaintance with Taney county. Take advantage of our special offer. Send him the Republican until the first of January for a silver dime. It will stop when the time is out. Do it now.

When in town a few days ago A. L. G. Randolph told the printer a most aggravating story of luscious October peaches on his place near Kisco Mills—"just lashing in 'em"—without a single specimen along to prove to the printer's palate that it wasn't all an "iridescent dream."

S. P. Smith, of Berryville, Arkansas, may thank C. H. McKedy, of Hilda, for a subscription to this great religious weekly. Charley had not yet closed a contract with the Missouri-Kansas Mining syndicate for a lease on his mineral property, but hopes to do so at once, when there is likely to be something doing in that locality.

The third quarterly conference of the M. E. church will be held in the stone chapel at th's place Saturday, October 31, and Sunday morning, November 1, by the Rev. L. G. Reser, president of Marionville college. Dr. Reser will deliver a free lecture Saturday evening, and Sunday morning at 11 o'clock will preach and administer the communion. Dr. Reser has a reputation as a fine speaker, and none will have occasion to regret hearing him, even if to do so entails some inconvenience.

Hon. C. A. Crow will speak to the citizens of Branson tomorrow, and will address the citizens of Forsyth Saturday evening at 7:30 o'clock. Mr. Crow is often spoken of as the man who does things because of the figures he furnished the postoffice department at Washington, resulting in the saving of large sums for carrying the mails on the railways of the country. He is the man who is slated to do things to Joe Russell November 3. Go out to the court house and hear him, no matter what your politics.

Candidates and members of the Forsyth cornet band started Monday on a tour of the county, the first meeting, which we hear was quite a success, being held at Walnut Shade. The tour will close with meetings at Kirbyville tonight, at Hollister at 10 o'clock tomorrow and at Branson at 3 o'clock tomorrow afternoon. The personnel of the party included J. C. L. McKnight, candidate for prosecuting attorney, Col. A. S. Prather, candidate for representative, Artie Parrish, candidate for circuit clerk, Attorney H. R. Awbrey, Postmaster A. J. Brazzel, George Felton, Ernest Vanzandt, and Albert Johnson. Seven of the party belong to the band. Prof. G. G. Robertson accompanied them to the Shade to exploit the School of the Ozarks.

Those Inman addition lots are dandies. Better get one or two now. If. Sam Brown is in charge of the Forsyth Drug Co's store this week.

General W. H. Standish is in town.

Another Business Change.

Dr. O. C. Huston came down from Ozark Monday and purchased the late Huston stock of drugs of Arter Kiscoe, for the Forsyth Drug Co., of which Harry Snider, of Ozark, who has been for several years with the Ozark Drug Co., is a member, and will take charge of the first of the coming week. Mr. Snider comes among us well vouched for as to character and efficiency. This paper extends all good wishes to the new firm and to its manager.

Just to Get Acquainted.

Every family in Taney county ought to receive the county paper, for the sake of the local and business news of the county, for the sake of the housewife, who often finds the time drag heavily when the children are in school and the men in the field or on the road, for the sake of the children, for whom it will prove of much value in cultivating the desire and habit of reading.

Just to afford those not already receiving the Republican so good an opportunity to take the paper that there will be no excuse if they fail to do so, we will send the paper from the earliest date you can get the money in our hands until January 1st for a silver dime. Bring it in or send it by mail—the sooner the longer you will get the paper—and it will stop when the time is out unless you give orders to the contrary. Do it today.

School of the Ozarks,
Yes sir-ee.

Mr. Oliver keeps study hall this week.

Mr. Robertson has left with the band, intent on advertising our school. If you want to see some fine sweet potatoes just look at some of those we dug Monday.

Mr. Oliver went hunting Monday evening and returned with two squirrels and a rabbit.

The new basket ball came Monday. The boys can hardly wait until the goals are put up to begin playing.

Mr. Robertson advertised the School of the Ozarks in the Christian county teachers association, returning Saturday evening.

Last Tuesday's chapel hour was taken up in "erowing" over the victory of our baseball team in the match game with Taneyville.

Mr. Oliver and Joel Conner are studying the violin, Artie Biansit has taken up the cornet, and Miss Peague has two new piano pupils, Ethel Stevens and Clarence O'Neil.

The tennis set donated to the school by the club down town, was brought up last week. All highly appreciated the gift, the interest being so intense that the court is never empty except in school hours.

Our farm superintendent, B. F. Hall, left Monday morning for a three weeks visit with friends in Oklahoma. He hopes to return greatly improved in health. Joel Conner will have charge of the farm work until he returns.

Our last year's principal, W. I. Utterback, writes from Sedalia that he has a little daughter up in St. Joseph and is going up to see her, during the State fair week. As the High school vacates for the week he can do so without loss of time.

The base ball nine will have some new suits. The members of the faculty and several of the down town people have already contributed toward the purchase of the suits, which have been ordered and are expected in time for the game with Taneyville Monday. Our team will go to Taneyville.

Mr. Awbrey led Christian Endeavor Sunday evening. The Reverend Mr. Beattie was present. The society was reorganized with Lyle Stone, president, Harry Harding vice president, Clint McDade, secretary and Robert Beattie treasurer. The topic for next Sunday is: Commending our Society by Systematic Generous Giving; 1 Cor. 16:2 Mat. 3:7-12.

A "Bulletin of Information" about the School of the Ozarks, is just off the press. It contains a brief, concise description of the affairs of the school, its faculty; its course of study, its students, its boarding department, its student organization. This is an interesting little booklet and should be in the hands of all who are interested in the school.

The High school students gave a fine program in the Literary society, Saturday evening. We are indebted to Joel Conner and Miss Peague for the music. The eighth grade class will give the next program. A constitution was adopted. The society is to be called the "Excelsior" and all S. of O. students from the 7th grade up are to be members.
